

Churchshoppers.com is the Largest On-line Church Directory in the Nation; 103,473 Churches and Adding Daily

*Churchshoppers.com Helps People Find the Right Home Church And In Turn Helps Bible Believing Churches Grow.*

Glendale, Arizona (PRWEB) March 30, 2006 -- [Churchshoppers.com](http://Churchshoppers.com) is now the largest on-line Christian Database of churches in the nation.

Churchshoppers President, Stephani Olson, says mission of [Churchshoppers.com](http://Churchshoppers.com) is two-fold: "We know that finding the right home church is one of the most important decisions a person will make. Our site helps searchers narrow down their choices to churches matching their unique needs and compatibilities. We also realize that the Internet is the fastest growing marketing tool available and want to help churches maximize their outreach effectiveness in a user-friendly and affordable way. We like to call it 'A Match Made in Heaven!'"

Using sophisticated search engines, Churchshoppers allows searchers to enter criterion based on a variety of preferences. Search results provide complete profiles of the churches, including web addresses, photo images and even a video welcome message from the Pastor.

In addition, churches may make use of Churchshoppers directory at very affordable rates. Services to churches include a detailed church profile with audio and visual capabilities, quarterly traffic inquiry report upon request, monthly E-zines on church marketing and growth, web mapping features, as well as special on-line forums on church marketing are coming soon.

Christian Financial Radio Network owners, DeWayne and Anne-Marie Reeves, are excited about the prospects of this on-line marketing tool. "It is an idea whose time has come!"
